Lulu.com, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.As a working parent of 4-year-old triplet daughters, I understand time management presents one of the greatest barriers to my pharmacology students success. Many students feel that cold sense of overwhelm and information overload. This easy-to-read guide organizes pharmacology into manageable, logical steps you can fit in short pockets of time. The proven system helps you memorize medications quickly and form immediate connections. With mnemonics from students and instructors, you ll see how both sides approach learning. After you ve finished the 200 Top Drugs in this book, reading pharmacology exam questions will seem like reading plain English. You ll have a new understanding of pharmacology to do better in class, clinical and your board exam. You ll feel the confidence you d hoped for as a future health professional. For patients and caregivers, this book provides a means to memorize medications to quickly and articulately communicate with your health providers.
