Brand New Book. Adam Faramond, Earl of Rothbury, needs to find a wife - immediately - or his beloved grandmother swears she'll leave him penniless. But Adam, an unrepentant rake, would only renounce a life of scandalous pleasure for one woman, the woman he's lusted after - and loved - for years. It's rather unfortunate, then, that Miss Charlotte Greene, a shy but beautiful blonde of impeccable manners and breeding, would never consent to be the blushing bride of a rogue. Or so he thinks. But Charlotte believes that the earl, the only man whose touch leaves her trembling with desire, would never want a woman like her. Weary of her wallflower ways, Charlotte decides a friendship with the earl just might give her the excitement she desires. Keeping their true feelings hidden, she and Adam plan a sham ceremony to placate the dowager. But when the marriage of convenience takes an unexpected turn, will Charlotte and her wicked earl finally reveal their irresistible, unforgettable love - and delight in a lifetime of passion?.
