By Steve Foss

Realms Fiction. Paperback / softback. Book Condition: new. BRAND NEW, Satan's Dirty Little Secret: The Two Demon Spirits That All Demons Get Their Strength from, Steve Foss, Author Steve Foss exposes some of the most pernicious strategies used by the devil to sideline God's people from fulfilling their potential. His revelations do not come from an ivory tower, but from face-to-face ministry with hundreds of thousands of adults and young people on the foreign field and in revival services all over America. Foss gets straight to the point, focusing on insecurity and inferiority and how they damage many areas of a person's life, including worldly possessions and self-image. He warns that overcoming this double-edged sword is not easy, that it can "be an overwhelming task for most." To win this battle, a person must have revelation on two key areas of spiritual warfare: the location of our enemy and that of the battlefield.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
