A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Aladdin Mix. Paperback / softback. Book Condition: new. BRAND NEW, Class Favorite, Taylor Morris, It all started three days after I officially became a woman -- the message of mass destruction arrived. It was February 14, to be exact. Happy Valentine's Day.Sara Thurman has never considered herself part of the popular crowd - she's got her best friend Arlene and that seems like enough. But when Sara's mom sends a special Valentine's Day delivery (PERIOD FLOWERS!) to her class, all of a sudden Sara is very famous - only for a horribly embarrassing reason! It seems everyone at Bowie Junior High knows something about Sara that she'd rather keep to herself and the harder Sara tries to blend in the more she ends up sticking out.Not only that, but it suddenly seems that Arlene doesn't have time for her anymore, and she has an unbearable crush on Jason who doesn't have any idea who she is (until now, that is). Worst of all, nothing's felt the same since Sara's dad left home. It all has Sara wondering if things will ever return to normal -- especially if she can't even remember what normal feels like. Sara can't figure out why it seems that everyone else has it easier than she does - would things be better if she were popular? Sara decides that if she can't beat 'em then she'll join 'em -- and she hatches a top secret mission to become.Class Favorite.
