ADVICE FROM A RISK DETECTIVE: AT WORK, AT HOME, ONLINE AND ON THE ROAD

[DOWNLOAD](#)

Tautegory Press. Paperback. Book Condition: New. Paperback. 132 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. Everyone has personal risks to handle at home, at work, online and on the road. Searle advises you on how to take risks with confidence by having your plans in order. She divides life and its risks into four chapters, with tips and checklists for each. This slim volume makes an ideal gift for family and friends, and even colleagues. Written in plain English, with plenty of stories about how things can go wrong. Using her expertise as an operational risk executive, Searle shows how to take risks with confidence and argues that taking risks is part of life; identifying risks and taking precautions can be learned; and that making a plan to handle your risks does not take much time or money. Additional tips and links are posted on her blog, www.advicefromariskdetective.com. Here's what the first six reviewers said -- Life is a marvelous thing, except when events conspire to take you out, hurt you, steal your stuff, to trap you someplace you don't want to be! In *Advice from A Risk Detective*, Annie Searle outlines many practical, simple steps for protecting you and the people important to you from a litany of threats. I suggest you buy it, read it, and highlight all the tips but most of all do what is outlined, and then show your friends. Highly recommended, easy to read. -- Pete ODell, Author of *Silver Bullets* and founder of Swan Island Networks Great reading and a must read for everyone that wants to be prepared and stay safe at home, at work, on line and on the road. --Alfonso Martinez-Fonts, U. S. Chamber of Commerce and Former DHS Undersecretary for Private Sector Annie Searle's new book, *Advice...*
