Brand New Book ***** Print on Demand *****.In her debut book *Out of Status*, Jenjen Furer traces her journey from her native Philippines to the United States as a twenty year old woman determined to fulfill her dreams. She chronicles her struggles and triumphs with adjustment, love, money, family, and the U.S. Immigration and Naturalization Service. A true page-turner, this uniquely fast-moving autobiography will have the reader laughing, crying, and ultimately understanding why the American Dream remains alive and well in the hearts and minds of people around the world.
