Humans, aliens, and modified humans gather at the University of All Worlds in search of knowledge. . . and self-knowledge. . . but the first bomb has fallen and the fate of this multicultural, multispecies mecca is in question. A thought-provoking work on sexuality and the connections between people--whether male or female, human or alien--The Stars Change is part space opera, part literary mosaic of story, poem, and art. The Stars Change: an erotic science fiction novel-in-stories. On a South Asian-settled university planet, tensions are rising, and as they reach the brink of interstellar war, life (and sex) continues. Humans, aliens, and modified humans gather at the University of All Worlds in search of knowledge. . . and self-knowledge. . . but the first bomb has fallen and the fate of this multicultural, multispecies mecca is in question. Some people will seek solace in physical contact, some will look for spiritual answers, while others will find their strength in community, family, and love. Some will rush home to make love to their...
