Albert Whitman. 1 Cloth(s), 2014. hard. Book Condition: New. Sounds and rhythms abound in this fun read-aloud book for youngsters up to 7a jazzy, rhythmic tribute to city life that follows two young best friends (trailed closely by their parents) as they embark on a city adventure, pictured in exuberant, finely detailed cartoon illustrations. The girls hear the tippy, tappy clack of high heels on the sidewalk, the strumming and drumming of a three-piece band, and the flipping and flapping of fluttering pigeons, catching the razzmatazz of the city's beat."The book is marked by a descriptive rhyming writing style that progresses at a jaunty pace. [Barbara] Bakos's perky full-color artwork re-creates the movement found within the city. A multicultural cast of adult and juvenile city goers engages in an abundance of activities common to an urban environment. Also among the busy details are whimsical and dainty mice that reappear throughout. There is much to see in this cheerful tale that will stimulate readers' imaginations while showcasing city life." School Library Journal 32.
