So focus is the way to go. r Senato J. Let me give you a pragmatic question. I have EFFORDS followed the TIMS exams over the years and have watched what happens relative to our young people and the worlds young people and come out terrible. We start off even in the fourth grade and by the time they graduate we are at the bottom of the heap. It seems fairly easy to be able to identify problems which result in that, not the least of which is the length of the school year and cer-tain obvious things. Should you answer a broad question like that Help us understand...
