The New Think and Grow Rich - QuantumVersion by Ted Ciuba began life as Napoleon Hills Think And Grow Rich, without doubt, the all-time most distinguished book in the self-development field. Published in 1937, its been widely hailed on good pedigree as, The book that launched a million millionaires. And mustnt we admit to massive progress in most areas of science and technology, including medicine, flight, and communications over the intervening years from our dim past when the classic was first published Could the science of personal achievement be any different And seeing that things have evolved to the point in which astro-cosmonaut and high stakes Olympic sports training are imbued with neuroscience-based quantum training, isnt your own success as important! Welcome to what Midwest Book Reviews calls the quantum reality of accelerating income and wealth! The New Think and Grow Rich - QuantumVersion grants you the wondrous powers of transmutation, that ability to purposefully convert the intangible energy of thought into its matter equivalent via quantum physics. It sounds mystical, and without doubt, some have declined even...
