

The Idiot - The Original Classic Edition

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

Emereo Classics, Australia, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.You will be fully engrossed day after day in a world of ideas, people and places once you open this book. Its ideas are many: atheism vs. Christianity; nihilism vs. a dying social order; Eros vs. charity; truth vs. artifice; id vs.ego and superego. It will captivate you. The characters in this novel, though usually explained as symbolic of the ideas they represent, are yet the most vividly realized characters you will ever read. The real-time manner in which they are drawn and followed is as if the author simply recorded their actions and conversations as and where they happened. We get to know who these people are, not through narrative description, but, as if by candid camera, observing what they say, withhold, do, and fail to do. What emerges are fascinating, at times frightening and at times affectionate portraits of real and troubled humans: Lizaveta, the flighty, but loving society mother; General Epanchin, the successful but utterly conventional man of the house; Aglaya, the childish but delightful beauty who resents her sisters and parents expectation for her; Ganya, who wants money and love, but plays the wounded martyr while more obviously blaming his father for his failures at both; Ivolgin, the pathetic figure of an aging man who aches for dignity and respect but whos former glory is long gone and mostly imagined; and Lebedev, the likeable sycophant and name-dropper. The more central characters to the events, the murderously passionate Rogozhin, and the self-scoring beauty Nastasya, are more starkly drawn. But even those portraits are created not through direct thought narration or narrative description, but by the authors leading us to read between and behind the lines...
