## INTEGRATION OF ENDOGENOUS CULTURAL DIMENSION INTO DEVELOPMENT

[DOWNLOAD](#)

Indira Gandhi National Centre for the Arts/D.K. Printworld (P) Ltd., New Delhi, India, 1997. Hardcover. Book Condition: New. Dust Jacket Condition: New. This volume takes the discourse on: from the complex issues of cultural identity to the worldwide human problems stemming from the development-planners unmindfulness of endogenous cultures. Carrying 17 presentations of a Unesco-sponsored workshop: 19-23 April 1995 at IGNCA, New Delhi, it questions the modern methods of development which, evolved from the experience of the industrialized world, have brought about neither peace nor harmony, neither alleviation of poverty nor socio-economic equality. Thus arguing why current development processes call for serious rethinking, the authors spell out not only the urgency of integrating endogenous cultural dimension into the paradigms of development, but also the relevance of linking development with the ethical basis of life and living. Also included in the volume are several case studies, with special reference to the Asian situation. The contributors to this volume are reputed scholars, planners and grassroots-level social workers from China, India, Indonesia, Japan, South Korea, Thailand and Vietnam. Printed Pages: 271.
