He was over 12 billion years old. He was created to perform the function of a Gatherer. His kind policed the borders between the lower worlds and they prevented demons, elementals, vampires, and other lesser entities from crossing into the realm of Earth. Anshar and his partner Rodare were also charged with the duty of escorting the souls of select fallen humans from the lower worlds into the Celestial City. Anshar had carried out his duty for billions of years, but now, he faced a challenge that even his legendary strength could not overcome. He was dying.
