Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

A QUAIN T CORNER IN OLD MEXICO (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . To get to it one must first get to Mexico City, and from there start out some morning on a little train, drawn by a little engine, which winds and puffs its way up the mountains for fifty miles, through picturesque villages and a superb landscape. The fascination of this journey began with us in the railroad station in Mexico City, where we bought our breakfast of a Mexican woman with a kindly face and generous heart, and ate from a table...
