Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

HarperCollins Publishers Inc, United States, 1998. Paperback. Book Condition: New. Mark Bluehner (illustrator). Reprint. 274 x 208 mm. Language: English . Brand New Book. Harvey Potter was a very strange fellow indeed. He was a farmer but not like any farmer you ve ever met. He didn t grow corn, okra, or tomatoes. Harvey Potter grew balloons. No one knew exactly how he did it, but with the help of the light of a full moon, one friendly child catches a peek of just how Harvey Potter does it. And keeps some magic for herself. This is the best sort of fantasy imaginative, inventive, and believable. Harvey Potter is a wonder he s the owner of a genuine U.S. Government Inspected Balloon farm. And Nolen s tale about this man, narrated by the African-American girl who learns balloon-farming magic from him, is equally wondrous. This title should sail onto every library shelf. May Nolen grow a bumper crop of books. School Library Journal. Downright glorious. Publishers Weekly(starred review).
